There are no Derivative Securities														
Explanation of Responses														
NOTE FOR FIRST TRANSACTION IN TABLE I: On January 20, 2020, the Reporting Person was granted performance-based Restricted Stock Units ("PSUs"). The PSUs are earned at 0% - 200% of the target grant award based on the Issuer's achievement of performance goals during a three-year performance period from January 1, 2020 through December 31, 2022, relative to a peer group and vest on the date the Compensation Committee certifies the level of achievement following the end of the performance period. On March 10, 2023, the Compensation Committee certified the level of achievement of the performance goals ("PSU Vesting Date") under the 2020 grant. The earned and vested PSUs will be settled by delivery of the Issuer's common stock (1) year after the PSU Vesting Date. NOTE FOR SECOND TRANSACTION IN TABLE I: These shares were withheld by the Issuer in order to satisfy certain tax withholding obligations in connection with the release and net settlement of previously reported 2019 PSU award in accordance with Rule 16b-3(e).
