There are no Derivative Securities														

Explanation of Responses

Transaction occurred in connection with a loan from the reporting person's 401(k) account under the terms of the issuer's 401(k) Plan. The plan administrator inadvertently sold issuer securities within that account to fund the loan. This report is being filed promptly upon discovery of the inadvertent sale. The increase in shares from the previously reported balance held by the 401(k) plan in the reporting person's last Form 4 reflects share acquisitions under the 401(k) plan that are exempt under Rule 16b-3.
